FOREST SCHOOL 2026/2027

Dear Parents/Carers,

I am pleased to confirm that we will be running Forest School starting in Term 1. The Forest School sessions will be led by our Forest School Leader Mrs Hurley. The sessions will also be supported by other staff.

These sessions will take place on Friday afternoons in the Wildlife area on the school site. Children will be able to facilitate their learning in the outside environment.

Children will need to come into school on the day they have Forest School, wearing their PE Kit with long trousers and other appropriate clothing for the weather, as children can get very muddy. We do have a limited number of waterproofs and wellies, however it is best to bring your own if you have them. Please bring an empty carrier bag to take home muddy boots and clothing. Please ensure everything is named.
